

# VITAL APOLOGETIC ISSUES

*Vital* . . . pertaining to life; essential; of critical importance.

*Apologetic* . . . a systematic defense of the authenticity and authority of Christian truth.

*Issues* . . . a point or matter, the decision of which is of special or public importance.

When it comes to giving a reasoned defense of one's faith, just knowing definitions isn't enough. It helps to have reliable guidance through the critical issues of apologetics such as philosophical questions regarding the Christian faith or biblical reliability.

*Vital Apologetic Issues: Examining Reason and Revelation in Biblical Perspective* draws upon the insights and study of numerous evangelical scholars and writers to address crucial questions in the field of Christian apologetics.

Some of the chapters included are

"The Nature and Origin of Evil" by Robert Culver

"Biblical Naturalism and Modern Science" by Henry M. Morris

"Ebla and Biblical Historical Inerrancy" by Eugene H. Merrill

"Theological Problems with Theistic Evolution" by David H. Lane

Christian readers, church leaders, and pastors will appreciate the insight and guidance of *Vital Apologetic Issues*.
