

**A MUSIC-DRIVEN ROMANTIC DRAMA
ABOUT THE THINGS WE ALL PURSUE...
LOVE AND MEANING.**

THE SONG tells the story of aspiring singer-songwriter Jed King (Powell), as he struggles to catch a break and escape the long shadow of his famous father. When he reluctantly agrees to a gig at a local vineyard harvest festival, Jed meets the vineyard owner's daughter, Rose (Faulkner), and a romance quickly blooms. Soon after their wedding, Jed writes Rose "The Song," which becomes a breakout hit. Suddenly thrust into a life of stardom and a world of temptation, in the form of fellow-performer Shelby Bale (Nicole-Thomas), Jed's life and marriage begin to fall apart.

Join us for a great movie event!

Perfect for any couple, singles who are dating,
and families with older students.
